

**Cape Cod Woodturners  
Minutes and Newsletter  
June 1, 2011**

Mike Gould opened the meeting at 7 p.m. with 19 members present. Two members are going to the 2011 AAW Symposium—Dennis and Clarke. For **raffle tickets for a Powermatic lathe** at the Symposium, check the AAW website. There is still some of the **Barnstable wood** available—contact Clarke Buchanan. The town of **Mashpee is taking down some trees** on Great Neck Road—Mike will notify members when it is available. Wayne has **CA glue** if anyone wants some. Mike has **anchor seal** for \$15 per gallon. Steve has the **bags of sandpaper** for \$5 per bag.

The **treasury** currently has \$3400. No forward movement has happened yet on the club lathe—we have a grinder. A committee of Jim Silva and Wayne Shepard volunteered to make suggestions on the model for the club purchase.

Check the **club website** for updated information and previous newsletters--  
[www.capecodturners.org](http://www.capecodturners.org).

The details on the **Greenbriar** and the **Brewster Ladies' Library** events are on the website—contact Jeff Tubman if you can help out. The Library event sold \$4000 worth of turning projects last year. Contact Dennis Daudelin with any suggestions or additions for the website.

### **Upcoming events:**

The **program committee** of Jim Silva, Clarke Buchanan, and Bob Reynolds announced that some upcoming demonstration possibilities are:

- 3 people to collaborate on finishes for projects
- Mike is investigating other chainsaw manufacturer's representatives
- contact the committee about other tool demo ideas
- ornament demonstrations for Oct/Nov meeting
- Grey's Beach picnic for the weekend after Labor Day

### **Demonstration of making a stem and base for a wine glass by**

Dennis' name tag for the AAW Symposium

Many thanks to Dennis for sharing an interesting project and his expertise!

Sanding the underside of the base

Turning the top of the base

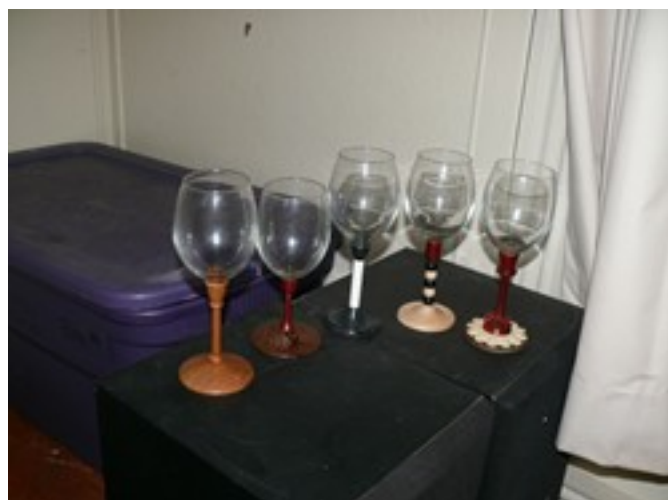

Drilling the hole for the stem

Finishing the turning on the stem

A completed stem/base

A showcase of Dennis' goblets

**Show and Tell—please bring your successes and problems to share!**

Peter Haney's paper plate holders

Cedar bowl by Rich

James' bowl with pewter insert

Russ's plywood laminated turning

Wayne Shepard's covered bowl

**South Shore Woodturner's Summer Hands on/Cook out**  
**Saturday, July 16 at 10 a.m.**  
**Nigel and Gill's Workshop/House**  
**9 Wallace Street, Berkley, MA 02779**  
**Any questions, call Nigel's cell (508) 837-3394**

There will be a sawdust session with their mini-lathes—please bring your mini-lathes and projects. Children are welcome. Pot luck lunch. Bring a chair. Call Jim Silva to carpool from Wareham.

Thanks to Clarke Buchanan for many of the newsletter photos. Contact Robin McIntyre at [robinmcintyre@comcast.net](mailto:robinmcintyre@comcast.net) with ideas or content for the newsletter.

**Next meeting—Wednesday, July 6, 2011 at 7 p.m.**
